DOCKET NO. 2009-82

IN THE MATTER OF $ TEXAS BOARD OF
THE LICENSE OF $ VETERINARY
JIM W. AIRHART, D.V.M. $ MEDICAL EXAMINERS

AGREED ORDER

On this the 28th day of June, 2010, came to be considered by the Texas Board of Veterinary Medical Examiners (“Board”) the matter of the license of Jim W. Airhart, D.V.M. (“Respondent”). Pursuant to Section 801.408, Texas Occupations Code and Board Rule 575.27, an informal conference was held on June 12, 2009. The Respondent appeared at the conference. The Board was represented at the conference by the Board’s Enforcement Committee.

Respondent, without admitting the truth of the findings and conclusions set out in this Agreed Order, wishes to waive a formal adjudicative hearing and thereby informally dispose of the issues without a formal adjudication. Respondent agrees to comply with the terms and conditions set forth in this Order. In waiving an adjudicative hearing, Respondent acknowledges his understanding of the alleged violations and the adequacy and sufficiency of the notice provided to him.

Upon the recommendation of the Enforcement Committee and with Respondent’s consent, the Board makes the following Findings of Fact and Conclusions of Law and enters this Agreed Order as set forth below.

Findings of Fact

1. On March 4, 2008, Paula and Tim Hiser of Mesquite, Texas, presented “Bruce”, a three-year-old male Pit Bull/Labrador mix to Jim W. Airhart, D.V.M., Town East Animal Hospital, Mesquite, Texas. The Hisers stated that “Bruce” had been coughing and gagging for approximately ten days prior, was currently exhibiting irregular breathing and difficulty walking.

2. Upon presentation, the Hisers informed Respondent that “Bruce” had not been tested for heartworms in six months, and had not received any heartworm prevention medication. Despite this information, Respondent did not perform an occult heartworm test on “Bruce.” Rather, Respondent conducted a microhematocrit and blood smear. Respondent stated the microhematocrit estimated the red and white blood cell counts, while the blood smear showed “Rouleaux formation and no heartworm microfilaria.” Only an occult heartworm test screens for adult heartworm antigens, however. Respondent’s records do not reveal details necessary to substantiate the examination, diagnosis and treatment provided “Bruce.” The Hisers were
charged $150.00 by Town East Animal Hospital.

3. Respondent suggested the Hisers take “Bruce” to a specialist for X-rays. Instead, the Hisers presented “Bruce” to Susan M. Edwards, D.V.M., Petmobile Pet Hospital of Garland, Texas, on March 10, 2008. Dr. Edwards performed an occult snap test which revealed that “Bruce” was indeed infected with heartworms. “Bruce” began treatment with Dr. Edwards and is now heartworm negative.

4. Respondent’s failure to perform an adult heartworm antigen (occult) test on “Bruce,” considering his symptoms and medical history, does not represent the same degree of humane care, skill, and diligence in treating patients as is ordinarily used in the same or similar circumstances by average members of the veterinary medical profession in good standing in Mesquite, Texas or similar communities. The failure to perform an occult test led to the possible misdiagnosis of heartworms in “Bruce.”

Conclusions of Law

1. Respondent is required to comply with the provisions of the Veterinary Licensing Act, Chapter 801, Texas Occupations Code, and with the Board’s Rules.

2. Based on Findings of Fact 1-4, Respondent has violated Rule of Professional Conduct 573.22, PROFESSIONAL STANDARD OF HUMANE TREATMENT, which requires veterinarians to exercise the same degree of humane care, skill and diligence in treating patients as is ordinarily used in the same or similar circumstances by average members of the veterinary medical profession in good standing in the locality or community in which they practice, or in similar communities.

3. Based on the above, Respondent has violated §801.402 (6) of the Veterinary Licensing Act, Texas Occupations Code, and is subject to disciplinary action by the Board:

801.402. GENERAL GROUNDS FOR LICENSE DENIAL OR DISCIPLINARY ACTION. A person is subject to denial of a license or to disciplinary action under Section 801.401 if the person:

(6) engages in practices or conduct that violates the board’s rules of professional conduct.

4. Based on Conclusions of Law 1 through 3, Respondent is subject to disciplinary action under Section 801.401 of the Veterinary Licensing Act, Texas Occupations Code:

801.401. DISCIPLINARY POWERS OF BOARD.
(a) If an applicant or license holder is subject to denial of a license or to disciplinary action under §801.402, the Board may:
   (1) refuse to examine an applicant or to issue or renew a license;
   (2) revoke or suspend a license;
   (3) place on probation a license holder or person whose license has been suspended;
   (4) reprimand a license holder; or
   (5) impose an administrative penalty.

(d) In addition to other disciplinary actions authorized by this subchapter, the board may require a license holder who violates this chapter to participate in a continuing education program.

NOW, THEREFORE, THE BOARD AND RESPONDENT AGREE AS FOLLOWS:

Based on the above Findings of Fact and Conclusions of Law, the Board ORDERS that Jim Airhart, D.V.M., be INFORMALLY REPRIMANDED.

In addition, the Board ORDERS that Respondent complete THREE (3) hours of continuing education (CE) in heartworm disease, prevention and/or treatment, within one year from the date of this Order. These three CE hours are in addition to any hours of CE required by Board Rules for Respondent’s license renewal. Documentation of the completion of the CE penalty shall be received by December 1, 2010. If Respondent fails to timely provide documentation of completion, a disciplinary proceeding will be initiated pursuant to the applicable provisions of the Rules and Act.

The Board further ORDERS that:

1. Respondent shall abide by the Rules of Professional Conduct, the Texas Veterinary Licensing Act, and the laws of the State of Texas and the United States.

2. Respondent shall cooperate with the Board’s attorneys, investigators, compliance officers and other employees and agents investigating Respondent’s compliance with this Order.

3. Failure by Respondent to comply with the terms of this Agreed Order or with any other provisions of the Licensing Act or the Board Rules, may result in further disciplinary action.

Respondent, by signing this Agreed Order, acknowledges his understanding of the Agreed Order, the notice, and Findings of Fact and Conclusions of Law herein set forth herein, and agrees that they will satisfactorily comply with the mandates of the Agreed Order in a timely manner or be subject to appropriate disciplinary action by the Board.
