SECOND AMENDED DOCKETED COMPLAINT NO. 1994-08

TEXAS STATE BOARD OF VETERINARY § TEXAS VETERINARY MEDICAL MEDICAL EXAMINERS § LICENSE NO. 5227 VS. § 1994 RENEWAL CERTIFICATE MARK ALLAN ANDREWS, D.V.M. § NUMBER 0638

SECOND AMENDED COMPLAINT AFFIDAVIT

BEFORE ME, the undersigned authority, a Notary Public in and for Texas, on this day personally appeared Matthew Wendel, who after being duly sworn, did depose and say:

On or about June 14, 1993, Matthew Wendel, being an employee of the Texas State Board of Veterinary Medical Examiners, did in the course of such employment, make certain investigations into the professional conduct of one Mark Allan Andrews, D.V.M., Veterinary House Calls, Inc., 837 Old Justin Road, Argyle, Texas 76226, Veterinary License Number 5227, 1994 Renewal Certificate Number 0638, a practitioner of veterinary medicine in the State of Texas. As an employee of the Texas Board of Veterinary Medical Examiners, I, Matthew Wendel, do hereby present the following complaint against Mark Allan Andrews, D. V. M.

I.

At approximately 3:00 p.m., on or about May 15, 1993, Sylvia Pitchford took her cat, "Callie", to Dr. Mark Andrews to have the cat spayed.
II.

At approximately 7:30 p.m., the same day, Ms. Pitchford picked up the cat from Dr. Andrews' wife, who released the cat in a nonambulatory condition. Ms. Pitchford checked on "Callie" at about 9:30 p.m., and noted that "Callie" had not yet regained consciousness. When she checked on "Callie" at about 9:00 a.m. the following morning, "Callie" was dead.

III.

A necropsy was performed by Francis P. Moynagh, D. V. M., who reported the necropsy diagnosis as "acute hemorrhage into peritoneal cavity form cervical stump and mesentery".

IV.

The histopathology report completed by the Texas Veterinary Medical Diagnostic Laboratory indicated "intra-abdominal hemorrhage" as cause of death.

V.

By releasing a patient in a nonambulatory condition, as described in paragraph II, Dr. Andrews violated Rule 573.22, Professional Standard of Humane Treatment, in that he did not exercise the same degree of humane care, skill and diligence in treating patients as are ordinarily used in the same or similar circumstances by average members of the veterinary medical profession in the community in which they practice.

VI.

By violating Rules 573.22, Dr. Andrews violated Section 14(a) (5) of the Texas Veterinary Licensing Act, Article 8890, V.A.C.S.
VII.

The Texas State Board of Veterinary Medical Examiners has grounds to take disciplinary action against Dr. Andrew's Veterinary License under the Texas Veterinary Licensing Act, V.A.C.S., Article 8890, (formerly Article 7465a) Section 14 which states in part:

ARTICLE 8890, SECTION 14

(a) "... the Board may revoke or suspend a license, impose a civil penalty, place a person whose license has been suspended on probation, or reprimand a licensee ... if it finds that a licensee:

(5) has engaged in practices or conduct in connection with the practice of veterinary medicine which are violative of the standards of professional conduct as duly promulgated by the Board in accordance with law;

ARTICLE 8890, SECTION 14B

(a) If a person violates this act in a manner that constitutes grounds for disciplinary action by the Board, the Board may assess an administrative penalty against that person in addition to taking action under Section 14 or 14A of this Act.
The foregoing complaint is submitted to the Secretary of Texas Board of Veterinary Medical Examiners on this the 27th day of July, 1994.

Further, Affiant sayeth not.
