DOCKETED COMPLAINT NO. 1994-09

TEXAS STATE BOARD OF VETERINARY § TEXAS VETERINARY MEDICAL EXAMINERS § LICENSE NO. 3370

vs.

CHARLES ATCHLEY, D.V.M. § 1994 RENEWAL CERTIFICATE NUMBER 2973

COMPLAINT AFFIDAVIT

Before me, the undersigned authority, a Notary Public in and for Texas, on this day personally appeared Mike Carroll, who after being duly sworn, did depose and say:

On or about March 1, 1994, Mike Carroll, being an employee of the Texas State Board of Veterinary Medical Examiners, did in the course of such employment, make certain investigations into the professional conduct of one Charles Atchley, D.V.M., HCR 5, Box 9, Dimmit, TX, 79027, Veterinary License Number 3370, 1994 Renewal Certificate Number 2973, a practitioner of veterinary medicine in the State of Texas. As an employee of the Texas Board of Veterinary Medical Examiners, I, Mike Carroll, do hereby present the following complaint against Charles Atchley, D. V. M.

I.

From July, 1993 through January, 1994, Charles Atchley, D.V.M., completed, signed and issued 223 "purchase orders" that authorized Lextron, Inc., a wholesaler of veterinary drugs, to drop-ship prescription (legend) drugs to varying quantities and types to numerous individuals, ranches and feedlots, as described in the attached addendum.
II.

On March 1, 1994, when requested by Board Investigator Mike Carroll to produce patient records that contain or describe patients, patients' history, dates of visits, names and dosages of medications dispensed, and other details as necessary to substantiate diagnosis and treatment of the animals owned by the clients to whom the prescription drugs were drop-shipped, Dr. Atchley was unable to produce any relevant records that verified diagnosis, treatment or a valid veterinarian/client/patient relationship.

III.

By failing to first establish a veterinarian/client/patient relationship before ordering prescription drugs delivered and by failing to determine that such prescription drugs are therapeutically indicated for the health and/or well being of the animals, as described in paragraph 2, Dr. Atchley violated Rule of Professional Conduct 573.41.

IV.

By failing to maintain individual records that identify patient, patient history, dates of visits, name and dosages of medications dispensed, and other details as necessary to substantiate diagnosis and treatment, as described in paragraph 2, Dr. Atchley violated Rule of Professional Conduct 573.52.

V.

By violating Rules of Professional Conduct 573.41 and 573.52, Dr. Atchley has violated Section 14(a)(5), Texas Veterinary Licensing Act, Article 8890, V.A.C.S.
VI.

The Texas State Board of Veterinary Medical Examiners has grounds to take disciplinary action against Dr. Atchley's veterinary license under the Texas Veterinary Licensing Act, V.A.C.S., Article 8890, (formerly Article 7465a) Section 14, which states in part:

ARTICLE 8890, SECTION 14

(a) "... the Board may revoke or suspend a license, impose a civil penalty, place a person whose license has been suspended on probation, or reprimand a licensee ... if it finds that a licensee:

(5) has engaged in practices or conduct in connection with the practice of veterinary medicine which are violative of the standards of professional conduct as duly promulgated by the Board in accordance with law;

ARTICLE 8890, SECTION 14B

(a) If a person violates this act in a manner that constitutes grounds for disciplinary action by the Board, the Board may assess an administrative penalty against that person in addition to taking action under Section 14 or 14A of this Act.
The foregoing complaint is submitted to the Secretary of the Texas Board of Veterinary Medical Examiners on this the 6th day of MAY, 1994.

Further, Affiant sayeth not.

Mike Carroll, Affiant

SUBSCRIBED and SWORN TO before me by the said Mike Carroll this the 6th day of MAY, 1994.
