COMPLAINT AFFIDAVIT

Before me, the undersigned authority, a Notary Public in and for Texas, on this day personally appeared Mike Carroll, who after being duly sworn, did depose and say:

On or about April 13, 1994, Mike Carroll, being an employee of the Texas State Board of Veterinary Medical Examiners, did in the course of such employment, make certain investigations into the professional conduct of one Michael C. Becker, D.V.M., 804 West Avenue, San Antonio, Texas, 78201, Veterinary License Number 5368, 1994 Renewal Certificate Number 0641, a practitioner of veterinary medicine in the State of Texas. As an employee of the Texas Board of Veterinary Medical Examiners, I, Mike Carroll, do hereby present the following complaint against Michael C. Becker, D.V.M.

I.

On or about April 6, 1989, a compliance inspection was conducted at the Central-West Animal Hospital, San Antonio, Texas, owned and operated by Michael C. Becker, DVM. Dr. Becker acknowledged that his controlled substances record keeping was not in compliance with Rule of Professional Conduct 573.50 and agreed to voluntarily comply with the rule in the future.
II.

On April 13, 1994, a second compliance inspection conducted at DR. Becker's clinic revealed that Dr. Becker possessed the following controlled substances:

Beuthanasia - D - Schedule III
Pentothal - Schedule III
Tussigon 5 mg tabs - Schedule III
Tussigon Syrup - Schedule III
Winstrol - V inj. - Schedule III
Winstrol - V 2 mg tabs - Schedule III
Diazepam inj. - Schedule IV
Diazepam 5 mg tabs - Schedule IV

Dr. Becker was unable to produce controlled substances inventories and records that accurately accounted for the acquisition and disposition of the drugs listed above or other controlled substances obtained from April 6, 1989 to April 13, 1994.

III.

The compliance inspection also revealed that Dr. Becker failed to properly secure the drugs listed in paragraph 2, in violation of Texas Department of Public Safety Drug Rule 13.43; Health and Safety Code, Section 481.128 (a) (8), and Rules of Professional Conduct 753.61 and 573.4.

IV.

By failing to maintain accurate controlled substance records at his place of business, as described in paragraph 2, Dr. Becker violated Texas Department of Public Safety Drug Rule 13.61; Health and Safety Code, Section 481.128 (a) (8), and Rules of Professional Conduct 573.50 and 573.4.
By violating Rules of Professional Conduct 573.4, 573.50 and 573.61, Dr. Becker violated Section 14 (a) (5), Texas Veterinary Licensing Act, Article 8890, TEX. REV. CIV. STAT.

VI.

The Texas State Board of Veterinary Medical Examiners has grounds to take disciplinary action against Dr. Becker's veterinary license under the Texas Veterinary Licensing Act, Article 8890, TEX. REV. CIV. STAT., (formerly Article 7465a) Section 14, which states in part:

ARTICLE 8890, SECTION 14

(a) . . . the Board may revoke or suspend a license, impose a civil penalty, place a person whose license has been suspended on probation, or reprimand a licensee . . . if it finds that a licensee:

(5) has engaged in practices or conduct in connection with the practice of veterinary medicine which are violative of the standards of professional conduct as duly promulgated by the Board in accordance with a law;
ARTICLE 8890, SECTION 14B

(a) If a person violates this act in a manner that constitutes grounds for disciplinary action by the Board, the Board may assess an administrative penalty against that person in addition to taking action under Section 14 or 14A of this Act.

The foregoing complaint is submitted to the Secretary of the Texas Board of Veterinary Medical Examiners on this the 16th day of November, 1994.

Further, Affiant sayeth not.

Mike Carroll, Affiant

SUBSCRIBED and SWORN TO before me by the said Mike Carroll this the 16th day of November, 1994.
