AGREED ORDER

On this the 21 day of July, 2015 came to be considered by the Texas Board of Veterinary Medical Examiners ("Board") the matter of the license of Robert Franklin, D.V.M. ("Respondent"). Pursuant to Section 801.2056, Texas Occupations Code, a committee of the Board's staff met on January 15, 2015, to consider alleged violations of the Veterinary Licensing Act and the Board's rules by Respondent.

Respondent, without admitting the truth of the findings and conclusions set out in this Agreed Order, wishes to waive a conference under Section 801.2056 and thereby dispose of the compliance issues set out below. Respondent agrees to comply with the terms and conditions set forth in this Order. In waiving the right to a conference, Respondent acknowledges his understanding of the alleged violations and the adequacy and sufficiency of the notice mailed to him.

Upon the recommendation of the Staff Committee and with Respondent's consent, the Board makes the following Findings of Fact and Conclusions of Law and enters this Agreed Order as set forth below.

4. The compliance inspection found that Respondent failed to maintain suitable controlled substances logs by not maintaining the required data, including the correct balance on hand for his controlled substances. Respondent admitted that his controlled substance log was not keeping a running balance.
