DOCKET NO. 2004-10

IN THE MATTER OF § TEXAS STATE BOARD OF

THE LICENSE OF §

DANIEL HILL, D.V.M. § VETERINARY MEDICAL EXAMINERS

AGREED ORDER

On this the 17th day of June, 2004, came on to be considered by the Texas State Board of Veterinary Medical Examiners ("Board") the matter of the license of Daniel Hill, D.V.M. ("Respondent"). Pursuant to Section 801.408, Texas Occupations Code and Board Rule 575.27, an informal conference was held on January 12, 2004. The Respondent attended without counsel. The Board was represented at the conference by the Board's Enforcement Committee.

Respondent, without admitting the truth of the findings and conclusions set out in this Agreed Order, wishes to waive a formal adjudicative hearing and thereby informally dispose of the issues without a formal adjudication. Respondent agrees to comply with the terms and conditions set forth in this Order. In waiving an adjudicative hearing, Respondent acknowledges his understanding of the alleged violations and the adequacy and sufficiency of the notice provided to him.

Upon the recommendation of the Enforcement Committee and with Respondent's consent, the Board makes the following Findings of Fact and Conclusions of Law and enters this Agreed Order as set forth below.

Findings of Fact

1. On April 23, 2003, Nora Ramirez, San Antonio, Texas, presented her cat "Patches" to Daniel Hill, D.V.M., Oak Hills Veterinary Hospital, San Antonio, Texas for chronic constipation problems. Ms. Ramirez told Dr. Hill that the cat had been vomiting periodically. At the time, the cat was taking previously prescribed medications. Dr. Hill performed blood work and took X-rays. The blood work revealed elevated liver enzymes. Radiographs showed a colon distended with stool and an enlarged liver. Dr. Hill recommended an enema and laxatives.

2. On April 24th, Ms. Ramirez presented "Patches" to Dr. Hill for the enema. The cat apparently ate some food that morning. Prior to the enema, the cat became fractious, and Dr. Hill decided to administer a sedative intravenously. Ms. Ramirez did not consent to the sedation. The enema was performed. When Ms. Ramirez arrived at the clinic to pick up the cat, Dr. Hill told her that "Patches" was still groggy from the sedation but should be recovered by the evening.

3. When the cat arrived at home, Ms. Ramirez noted that the cat was unable to stand; her eyes were rolled back into their sockets, and her mouth was open with tongue protruding. The cat's condition did not improve, and by 7:00 she was losing control of her bowels. Contacted at home,
Dr. Hill said that “Patches” was still feeling the effects of the sedation and that she should be well by morning.

4. At about 8:00 p.m., when the cat began to experience breathing difficulties, Ms. Ramirez presented “Patches” to the Animal Emergency Room, San Antonio, Texas. Ariana Finkelstein, D.V.M., examined the cat and took radiographs. The radiographs suggested pulmonary infiltrates or pulmonary edema. “Patches” stopped breathing several times while at the emergency room and finally died early in the morning of April 25th.

5. Based on Finding of Fact 2, Dr. Hill’s failure to consider, when sedating the patient, that the patient had eaten before sedation, and his failure to secure written or oral consent for the sedation procedure, do not represent the same degree of humane care, skill and diligence in treating patients as is ordinarily used in the same or similar circumstances by average members of the veterinary medical community in San Antonio, Texas, or similar communities.

Conclusions of Law

1. Respondent is required to comply with the provisions of the Veterinary Licensing Act, Chapter 801, Texas Occupations Code, and with the Board’s Rules.

2. Based on Findings of Fact 1 through 5, Respondent has violated Rule 573.22, PROFESSIONAL STANDARD OF HUMANE TREATMENT, of the Board’s Rules of Professional Conduct, which requires veterinarians to exercise the same degree of humane care, skill and diligence in treating patients as is ordinarily used in the same or similar circumstances by average members of the veterinary medical profession in good standing in the locality or community in which they practice, or in similar communities.

3. Based on Findings of Fact 1 through 5 and Conclusions of Law 1 and 2, Respondent has violated Section 801.402 (6) of the Veterinary Licensing Act, Texas Occupations Code, and is subject to disciplinary action by the Board:

   801.402. GENERAL GROUNDS FOR LICENSE DENIAL OR DISCIPLINARY ACTION. A person is subject to denial of a license or to disciplinary action under Section 801.401 if the person:
   (6) engages in practices or conduct that violates the board’s rules of professional conduct.

4. Based on Conclusions of Law 1 through 3, Respondent is subject to disciplinary action under Section 801.401 of the Veterinary Licensing Act, Texas Occupations Code:

   801.401. DISCIPLINARY POWERS OF BOARD. (a) If an applicant or license holder is subject to denial of a license or to disciplinary action under Section 801.402, the Board may:
   (1) refuse to examine an applicant or to issue or renew a license;
   (2) revoke or suspend a license;
   (3) order the applicant or license holder to undergo and successfully complete appropriate training or educational programs to correct the deficiencies in the applicant’s or license holder’s performance;
   (4) require the applicant or license holder to submit to supervision or to practice under the supervision of a veterinarian approved by the board; and
   (5) order the applicant or license holder to perform or complete appropriate community service.
(3) place on probation a license holder or person whose license has been suspended;
(4) reprimand a license holder; or
(5) impose a civil penalty.

NOW, THEREFORE, THE BOARD AND RESPONDENT AGREE AS FOLLOWS:

Based on the above Findings of Fact and Conclusions of Law, the Board ORDERS that Daniel Hill, D.V.M., be INFORMALLY REPRIMANDED.

The Board further ORDERS that:

1. Respondent shall abide by the Rules of Professional Conduct, the Texas Veterinary Licensing Act, and the laws of the State of Texas and the United States.

2. Respondent shall cooperate with the Board’s attorneys, investigators, compliance officers and other employees and agents investigating Respondent’s compliance with this Order.

3. Failure by Respondent to comply with the terms of this Agreed Order or with any other provisions of the Licensing Act or the Board Rules, may result in further disciplinary action.

Respondent, by signing this Agreed Order, acknowledges his understanding of the Agreed Order, the notice, and Findings of Fact and Conclusions of Law herein set forth herein, and agrees that he will satisfactorily comply with the mandates of the Agreed Order in a timely manner or be subject to appropriate disciplinary action by the Board.

Respondent, by signing this Agreed Order, waives his right to a formal hearing and any right to seek judicial review of this Agreed Order. Respondent acknowledges that he is not represented by legal counsel in this matter.

RESPONDENT WAIVES ANY FURTHER HEARINGS OR APPEALS TO THE BOARD OR TO ANY COURT IN REGARD TO ALL TERMS AND CONDITIONS OF THIS AGREED ORDER. NOTHING IN THIS ORDER SHALL BE DEEMED A WAIVER OF RESPONDENT’S RIGHTS UNDER STATUTE OR UNDER THE UNITED STATES OR TEXAS CONSTITUTIONS TO APPEAL AN ORDER OR ACTION OF THE BOARD SUBSEQUENT TO THIS AGREED ORDER EXCEPT AS RESPONDENT MAY HAVE OTHERWISE AGREED TO HEREIN. RESPONDENT AGREES THAT THIS IS A FINAL ORDER.

The effective date of this Agreed Order shall be the date it is adopted by the Board.

I, DANIEL HILL, D.V.M., HAVE READ AND UNDERSTAND THE FOREGOING AGREED ORDER. I UNDERSTAND BY SIGNING IT, I WAIVE CERTAIN RIGHTS. 
SIGN IT VOLUNTARILY. I UNDERSTAND THAT THIS ORDER CONTAINS THE ENTIRE AGREEMENT AND THERE IS NO OTHER AGREEMENT OF ANY KIND, VERBAL, WRITTEN OR OTHERWISE.
