MEDICAL EXAMINERS

AGREED ORDER

On this date ______________, 2011, came to be considered by the Texas Board of Veterinary Medical Examiners (Board) the matter of the license of Jay K. Meyer, D.V.M. (Respondent) Pursuant to Section 801.408, Texas Occupations Code and Board Rule 575.27, an informal conference was held on March 28, 2011. A previous Board order, Docket No. 2011-01 was signed by Respondent and approved by the Board on September 10, 2010. An Automatic Suspension Order was signed by the Executive Director on December 15th, 2010 due to a violation of the Agreed Order 2011-01. An informal conference was held to reconsider the alleged violation of the Board Order. The Respondent was represented by counsel, Louis Leichter. The Board was represented at the conference by the Board’s Enforcement Committee.

Respondent does not contest the findings that he violated Board order 2011-01 by taking Tramadol while under his Peer Assistance Contract and agrees that, accordingly, the Board may treat the findings of fact and conclusions of law as true. The findings of fact and conclusions of law shall have the same force and effect as if evidence and argument were presented in support of the findings of fact and conclusions of law, and based thereon, the Board found the allegations to be true. Respondent understands and intends that by so stating, he is not admitting the truth of the allegations, but is merely agreeing that the Board may enter an Order treating the allegations as true without the necessity of receiving evidence in support thereof. Upon the recommendation of the Enforcement Committee and with Respondent's consent, the Board makes the following Findings of Fact and Conclusions of Law and enters this Agreed Order as set forth below.

Findings of Fact

2. The Board has jurisdiction over the subject matter and Respondent. Respondent received all notice, which may be required by law and by the rules of the Board. All jurisdictional requirements have been satisfied under TEX. OCC. CODE ANN. Title 4 (Act). By entering into this Agreed Order, Respondent waives any defect in the notice and any further right to notice and hearing under the Act; TEX. GOV'T CODE ANN. §§ 2001.051 -.054; and/or the Rules of the Texas Board of Veterinary Medical Examiners (Board Rules) (22 TEX. ADMIN. CODE, Chapter 575).

3. The Board Order 2011-01 ordered Respondent into a Peer assistance Contract, including random drug testing. In addition, the order required Respondent to abstain from the consumption of prohibited substances including any substance that may cause a positive drug test. On October
25, 2010, Respondent tested positive for Tramadol. The Board’s Enforcement Committee met on December 14, 2010 and invited Respondent to appear to consider the information concerning Respondent’s violation of the board order. The Automatic Suspension Order, dated December 15, 2010, determined that Respondent failed to cooperate with Board and by testing positive in violation of the 2011-01 order.

4. The Board’s Enforcement Committee, met again on March 28, 2011, to consider additional information provided by Respondent. Respondent provided an affidavit from Misty Sprey, setting forth the factual scenario, by which Respondent ingested the Tramadol in October of 2010. The Board’s Enforcement Committee considered the mitigating factor that Respondent has not tested positive since the October 25th, 2010 positive and has not missed a drug screening test and has been compliant with seeing his treating psychiatrist.

Conclusions of Law

1. Respondent is required to comply with the provisions of the Veterinary Licensing Act, Chapter 801, Texas Occupations Code, and with the Board’s Rules. The Board has jurisdiction over the subject matter and Respondent pursuant to the Act.

2. Based on the above Finding of Facts, Respondent has violated Section 801.402 (3) of the Veterinary Licensing Act, Texas Occupations Code, GENERAL GROUNDS FOR LICENSE DENIAL OR DISCIPLINARY ACTION, which states a licensee is subject to disciplinary action for being chronically or habitually intoxicated, chemically dependent, or addicted to drugs.

3. Based on the above Findings of Facts, Respondent has violated Rule 573.62, VIOLATION OF BOARD ORDER/NEGOTIATED SETTLEMENTS, of the Board’s Rules of Professional Conduct, which requires a licensee to comply with all terms and conditions of final agreed orders.

4. Based on Conclusions of Law 1 through 4, Respondent is subject to disciplinary action under Section 801.401 of the Veterinary Licensing Act, Texas Occupations Code:

801.401. DISCIPLINARY POWERS OF BOARD. (a) If an applicant or license holder is subject to denial of a license or to disciplinary action under Section 801.402, the Board may:

(1) refuse to examine an applicant or to issue or renew a license;
(2) revoke or suspend a license;
(3) place on probation a license holder or person whose license has been suspended;
(4) reprimand a license holder; or
(5) impose an administrative penalty.

NOW, THEREFORE, THE BOARD AND RESPONDENT AGREE AS FOLLOWS:

Based on the above Findings of Fact and Conclusions of Law, the Board ORDERS that Respondent enter into a five-year Peer Assistance Contract under the Board’s Peer Assistance
Program, Respondent shall enter into the Peer Assistance contract within ten days of this order. Respondent shall follow all recommendations of the Peer Assistance Program Coordinator. Respondent shall see a treating psychiatrist or other appropriate mental health provider (MHP) selected and approved by the Peer Assistance Program at a minimum, twice a month, or more at the recommendation of the MHP. Respondent shall follow all recommendations of the treating MHP. In addition, at the request of a representative of the Board, with or without notice, Respondent shall submit to appropriate examinations, including screenings for alcohol and drugs, through either a saliva, urine, blood, sweat, or hair specimen, to determine by laboratory analysis whether Respondent is free of prohibited drugs and alcohol, with at a minimum, a hair screening every other month. Respondent shall pay any costs associated with these analyses. Respondent shall execute any and all releases for medical records necessary to evaluate compliance with this order and/or are necessary to effectuate this order. Any violation of the terms of the Contract subjects Respondent to possible immediate revocation of his license, or other enforcement actions as deemed sufficient by the Board's Enforcement Committee.

Respondent shall inform the Board in writing of any change of Respondent’s office or mailing address within 10 days of the address change. This information shall be submitted to the Director of Licensing and the General Counsel of the Board. Failure to provide such information in a timely manner shall constitute a basis for disciplinary action by the Board against Respondent pursuant to the Act.

The Board further ORDERS that:

1. Respondent shall abide by the Board’s Rules of Professional Conduct, the Texas Veterinary Licensing Act, and the laws of the State of Texas and the United States.

2. Respondent shall cooperate with the Board’s attorneys, investigators, compliance officers, and other employees and agents investigating Respondent’s compliance with this Order.
