

4. A licensed veterinary technician took the patient's history, and then Teddy was presented to Dr. Kent Oakley. Dr. Oakley examined Teddy and noted a large distended gas-filled stomach. Dr. Oakley took a right lateral radiograph of Teddy's abdomen, and a large gas-distended stomach with a volvulus was determined.

5. Dr. Oakley informed Ms. Bair of his diagnosis and that surgery was necessary or Teddy would have to be euthanized. Ms. Bair consulted with her husband, and they determined that surgery would be too difficult on Teddy. Based on this decision, Ms. Bair authorized Dr. Oakley to euthanize Teddy, which he did.

2. Based on the above Findings of Fact, Respondent has violated Rule 573.22, PROFESSIONAL STANDARD OF CARE, of the Board's Rules of Professional Conduct, by taking only one radiograph of Teddy to diagnose GDV and failing to offer the client other options, and, thus, failing to exercise the same degree of humane care, skill, and diligence in treating patients as are ordinarily used in the same or similar circumstances by average members of the veterinary medical profession in good standing in the locality or community in which they practice, or in similar communities.

3. Based on Findings of Fact 1 through 5 and Conclusions of Law 1 through 2, Respondent has violated Sections 801.402(6) of the Veterinary Licensing Act, Texas Occupations Code, and is subject to disciplinary action by the Board:

(6) engages in practice or conduct that violates the board's rules of professional conduct.

4. Based on Conclusions of Law 1 through 3, Respondent is subject to disciplinary action under Section 801.401 of the Veterinary Licensing Act, Texas Occupations Code:

801.401. DISCIPLINARY POWERS OF BOARD. (a) If an applicant or license holder is subject to denial of a license or to disciplinary action under Section 801.402, the Board may:

- (a)
 - (1) refuse to examine an applicant or to issue or renew a license;
 - (2) revoke or suspend a license;
 - (3) place on probation a license holder or person whose license has been suspended;
 - (4) reprimand a license holder; or
 - (5) impose an administrative penalty.

- (d) In addition to other disciplinary actions authorized by this subchapter, the board may require a license holder who violates this chapter to participate in a continuing education program.

NOW, THEREFORE, THE BOARD AND RESPONDENT AGREE AS FOLLOWS:

Based on the above Findings of Fact and Conclusions of Law, the Board ORDERS that Respondent receive an INFORMAL REPRIMAND.

In addition, the Board ORDERS that Respondent complete THREE (3) hours of continuing education in the area of radiology, in addition to the seventeen required annually for renewal of Respondent's license to practice veterinary medicine, within one year of the date the Board approves this Order. Documentation of the completion of the continuing education penalty shall be received within thirty (30) days after one year of the date the Board approves this Order. If Respondent fails to provide documentation of completion within thirty (30) days of one year of the date the Board approves this Order, Respondent's license may be suspended until the continuing education penalty is completed and documentation is received by the Board.

The Board further ORDERS that:

1. Respondent shall abide by the Rules of Professional Conduct, the Texas Veterinary Licensing Act, the laws of the State of Texas, and the laws of the United States.

2. Respondent shall cooperate with the Board's attorneys, investigators, compliance officers and other employees and agents investigating Respondent's compliance with this Agreed Order.

3. Failure by Respondent to comply with the terms of this Agreed Order or with any other provisions of the Licensing Act or the Board Rules, may result in further disciplinary action.

Respondent, by signing this Agreed Order, acknowledges understanding the Agreed Order, the notice, and Findings of Fact and Conclusions of Law set forth herein, and agrees to satisfactorily comply with the mandates of the Agreed Order in a timely manner or be subject to appropriate

disciplinary action by the Board.
