Dr. Bridges performed a complete examination and asked the Chitambars if they wanted a C-Section performed. Dr. Bridges then left to write up an estimate for the procedure. The Chitambars paid the required deposit.
7. According to the medical records, Dr. Bridges began surgery at approximately 5 a.m. on January 22, 2016. The Chitambars waited in their car outside the Hospital until approximately 5:30 a.m., when Hospital Staff called to say that the puppy's heart was beating but it was not breathing on its own.
