DOCKET NO. 2002-15

IN THE MATTER OF § TEXAS STATE BOARD OF

THE LICENSE OF §

TERRELL ROURK, D.V.M. § VETERINARY MEDICAL EXAMINERS

AGREED ORDER

On this the 13th day of June, 2002 came on to be considered by the Texas State Board of Veterinary Medical Examiners ("Board") the matter of the license of Terrell Rourk, D.V.M. ("Respondent"). Pursuant to Section 801.408, Texas Occupations Code and Board Rule 575.27, an informal conference was held on February 28, 2002. The Respondent did not attend. The Board was represented at the conference by the Board's Enforcement Committee.

Respondent, without admitting the truth of the findings and conclusions set out in this Agreed Order, wishes to waive a formal adjudicative hearing and thereby informally dispose of the issues without a formal adjudication. Respondent agrees to comply with the terms and conditions set forth in this Order. In waiving an adjudicative hearing, Respondent acknowledges his understanding of the alleged violations and the adequacy and sufficiency of the notice provided to him.

Upon the recommendation of the Enforcement Committee and with Respondent's consent, the Board makes the following Findings of Fact and Conclusions of Law and enters this Agreed Order as set forth below.

Findings of Fact

1. On January 30, 2001 Ms. Elizabeth Anderson, Weatherford, Texas presented her 18-year old cat "Bubba" to Terrell Rourk, D.V.M., Fort Worth, Texas for teeth cleaning and a rabies shot. Because the cat had been drinking more water lately and his appetite was not as good as usual, Ms. Anderson asked that "Bubba's" BUN and creatinine levels be checked. Dr. Rourk reported the laboratory results to Ms. Anderson's husband the next day: BUN 116 and creatinine 8.6.

2. Dr. Rourk said that "Bubba" had renal disease and 25 to 30 percent kidney function, but that cats can tolerate a high level of creatinine. Dr. Rourk prescribed the following: a protein restricted diet, Winstrol, Pepcid AC, Antirobe, Periactin to stimulate appetite, and plenty of fresh water. Dr. Rourk did not suggest or prescribe fluid therapy. Dr. Rourk told Ms. Anderson that good management of diet and large amounts of water were essential, but did not speculate as to how long the cat would live with the condition.

3. By February 1, "Bubba" had stopped eating. On February 3, Ms. Anderson took the cat to the
Benbrook Animal Clinic where he was seen by Eddie L. Wilson, D.V.M., and other staff veterinarians. Dr. Wilson confirmed kidney failure, indicated that the prognosis was poor, and suggested that fluid therapy would possibly bring down the BUN and creatinine levels. Fluid therapy was initiated but did not work. “Bubba” was euthanized on February 9, 2001.

4. Dr. Rourk’s failure to prescribe fluid therapy, a standard practice for renal disease, did not constitute the same degree of humane care, skill and diligence in treating patients as is ordinarily used in the same or similar circumstances by average members of the veterinary medical profession in Weatherford, Texas or similar communities.

Conclusions of Law

1. Respondent is required to comply with the provisions of the Veterinary Licensing Act, Chapter 801, Texas Occupations Code, and with the Board’s Rules.

2. Based on Findings of Fact 1 through 4, Respondent has violated Rule 573.22, PROFESSIONAL STANDARD OF HUMANE TREATMENT, of the Board’s Rules of Professional Conduct, which requires veterinarians to exercise the same degree of humane care, skill and diligence in treating patients as is ordinarily used in the same or similar circumstances by average members of the veterinary medical profession in good standing in the locality or community in which they practice, or in similar communities.

3. Based on Finding of Fact 1 through 4 and Conclusions of Law 1 through 2, Respondent has violated Section 801.402 (6) of the Veterinary Licensing Act, Texas Occupations Code, and is subject to disciplinary action by the Board:

   801.402. GENERAL GROUNDS FOR LICENSE DENIAL OR DISCIPLINARY ACTION. A person is subject to denial of a license or to disciplinary action under Section 801.401 if the person:

   (6) engages in practices or conduct that violates the board’s rules of professional conduct.

4. Based on Conclusions of Law 1 through 3, Respondent is subject to disciplinary action under Section 801.401 of the Veterinary Licensing Act, Texas Occupations Code:

   801.401. DISCIPLINARY POWERS OF BOARD. (a) If an applicant or license holder is subject to denial of a license or to disciplinary action under Section 801.402, the Board may:

   (1) refuse to examine an applicant or to issue or renew a license;
   (2) revoke or suspend a license;
   (3) place on probation a license holder or person whose license has been suspended;
NOW, THEREFORE, THE BOARD AND RESPONDENT AGREE AS FOLLOWS:

The Board further ADOPTS the following terms and conditions:

3. Failure by Respondent to comply with the terms of this Agreed Order or with any other provisions of the Licensing Act or the Board Rules, may result in further disciplinary action.

Respondent, by signing this Agreed Order, acknowledges his understanding of the Agreed Order, the notice, Findings of Fact and Conclusions of Law herein set forth, and agrees that he will satisfactorily comply with the mandates of the Agreed Order in a timely manner or be subject to appropriate disciplinary action by the Board.

Respondent, by signing this Agreed Order, waives his right to a formal hearing and any right to seek judicial review of this Agreed Order. Respondent acknowledges that he had the right to legal counsel in this matter.

NOTHING IN THIS ORDER SHALL BE DEEMED A WAIVER OF RESPONDENT’S RIGHTS UNDER STATUTE OR UNDER THE UNITED STATES OR TEXAS CONSTITUTIONS TO APPEAL AN ORDER OR ACTION OF THE BOARD SUBSEQUENT TO THIS AGREED ORDER EXCEPT AS RESPONDENT MAY HAVE OTHERWISE AGREED TO HEREIN. RESPONDENT AGREES THAT THIS IS A FINAL ORDER.

The effective date of this Agreed Order shall be the date it is adopted by the Board.
