DOCKET NO. DK2016-149

IN THE MATTER OF § TEXAS BOARD OF

THE LICENSE OF § VETERINARY

JEFFREY SCHALL, D.V.M. § MEDICAL EXAMINERS

ORDER REINSTATING LICENSE

On this the 12th day of December, 2016, came to be considered by the Enforcement Committee of the Texas Board of Veterinary Medical Examiners ("Board") the matter of the license of Jeffrey Schall, D.V.M. ("Respondent").

Respondent holds veterinary license 8608. On July 19, 2016, the Board approved Agreed Order Docket No. 2016-149 (the "Agreed Order"), concerning Respondent. The Agreed Order found that Respondent had violated Section 801.402(3) of the Veterinary Licensing Act, which authorizes disciplinary action if a licensee is chronically or habitually intoxicated, chemically dependent, or addicted to drugs. The Agreed Order suspended Respondent's license until: 1) an evaluator approved by the Professional Recovery Network (PRN) declared him safe to practice; 2) he appeared before the Board's Enforcement Committee; and 3) the Enforcement Committee voted to reinstate his license.

On September 23, 2016, a PRN-approved evaluator declared Respondent safe to practice veterinary medicine. On December 12, 2016, Respondent appeared before the Board's Enforcement Committee. The members of the Enforcement Committee unanimously voted to reinstate Respondent's license.

The suspension of Respondent's license is hereby LIFTED, and Respondent's license is hereby REINSTATED. This Order is effective upon signing.
