IN THE MATTER OF

THE LICENSE OF

JENNIFER M. RUSSELL, D.V.M.

§

TEXAS STATE BOARD OF

§

VERTEBRATE MEDICAL EXAMINERS

AGREED ORDER

On this the 13th day of October, 2005 came on to be considered by the Texas State Board of Veterinary Medical Examiners ("Board") the matter of the license of Jennifer M. Russell, D.V. M. ("Respondent"). Pursuant to Section 801.408, Texas Occupations Code and Board Rule 575.27, an informal conference was held on June 10, 2005. The Respondent attended without counsel. The Board was represented at the conference by the Board's Enforcement Committee.

Respondent, without admitting the truth of the findings and conclusions set out in this Agreed Order, wishes to waive a formal adjudicative hearing and thereby informally dispose of the issues without a formal adjudication. Respondent agrees to comply with the terms and conditions set forth in this Order. In waiving an adjudicative hearing, Respondent acknowledges her understanding of the alleged violations and the adequacy and sufficiency of the notice provided to her.

Upon the recommendation of the Enforcement Committee and with Respondent's consent, the Board makes the following Findings of Fact and Conclusions of Law and enters this Agreed Order as set forth below.

Findings of Fact

1. On February 4, 2005, Theodore and Annie Henderson, Flower Mound, Texas, presented their dog "Czech" to Banfield, The Pet Hospital, Irving, Texas, for a dental procedure. They were asked by a Banfield service coordinator if they wanted "Czech" neutered. They declined, saying that the dog had been previously neutered. Records from Aladdin Animal Hospital, Flower Mound, Texas, show that the dog was neutered at Aladdin on September 3, 2004.

2. At approximately 1:30 p.m., the Banfield service coordinator called Ms. Henderson and told her that the veterinarian, Jennifer M. Russell, D.V.M., had mistakenly made an incision on the dog before being told that the dog had already been neutered. The dental procedure had been performed. Ms. Henderson told the coordinator that she wanted to pick up "Czech" and take him to another veterinary hospital. The dog was picked up later that day.

3. During preparation for surgery on February 4th, Dr. Russell discovered that "Czech" did not have any scrotal testicles. She apparently did not notice the incision scar left by the previous neuter at Aladdin Animal Hospital. She palpated what she thought were inguinal testicles

bilaterally. She then proceeded to make an incision over the left inguinal region and found no testicle in the left inguinal region. Dr. Russell was then informed by the service coordinator that the dog had been previously neutered.

4. “Czech” was presented to the Aladdin Animal Hospital on Saturday morning, February 5, 2005, at which time he was examined by Janice W. Price, D.V.M. Dr. Price concluded that there were no discernible problems with the dog’s health. She observed that the abdomen and groin were shaved, with a two-inch incision in the right paramedial space lateral to the penile sheath. No serious medical issues were observed.

5. Banfield patient records for “Czech” show that the dog was a patient at Banfield on August 19, 2004, September 15, 2004, and November 6, 2004. The patient notes for August 19th indicate that a neuter was recommended “in the next month.” However, the Banfield patient records for September 15th contains the notation, “Client Education: vaccine reactions, wellness, neutering if not breeding.” The Banfield patient records for November 6th say, “Follow-up therapy: dental, neuter, vaccines, comp, fecal.” Based on these notes, according to Dr. Russell, an appointment was made for a neuter and teeth cleaning on February 4, 2005. She performed the unauthorized procedure on that date.

Conclusions of Law

1. Respondent is required to comply with the provisions of the Veterinary Licensing Act, Chapter 801, Texas Occupations Code, and with the Board’s Rules.

2. Based on Findings of Fact 1 through 5, Respondent has violated Section 801.402 (12) of the Veterinary Licensing Act, Texas Occupations Code, GENERAL GROUNDS FOR LICENSE DENIAL OR DISCIPLINARY ACTION, which prohibits the performing of unauthorized treatment.

3. Based on Conclusions of Law 1 and 2, Respondent is subject to disciplinary action under Section 801.401 of the Veterinary Licensing Act, Texas Occupations Code:
   801.401. DISCIPLINARY POWERS OF BOARD. (a) If an applicant or license holder is subject to denial of a license or to disciplinary action under Section 801.402, the Board may:

      (3) place on probation a license holder or person whose license has been suspended;
      (4) reprimand a license holder; or
      (5) impose a civil penalty.
