DOCKET NO. 2005-08

IN THE MATTER OF § TEXAS STATE BOARD OF

THE LICENSE OF §

TIMOTHY R. STONE, D.V.M. § VETERINARY MEDICAL EXAMINERS

AGREED ORDER

On this the 17th day of February, 2005, came on to be considered by the Texas State Board of Veterinary Medical Examiners ("Board") the matter of the license of TIMOTHY R. STONE, D.V. M. ("Respondent") Pursuant to Section 801.408, Texas Occupations Code and Board Rule 575.27, an informal conference was held on November 9, 2004. The Respondent appeared without counsel. The Board was represented at the conference by the Board’s Enforcement Committee.

Respondent, without admitting the truth of the findings and conclusions set out in this Agreed Order, wishes to waive a formal adjudicative hearing and thereby informally dispose of the issues without a formal adjudication. Respondent agrees to comply with the terms and conditions set forth in this Order. In waiving an adjudicative hearing, Respondent acknowledges his understanding of the alleged violations and the adequacy and sufficiency of the notice provided to him.

Upon the recommendation of the Enforcement Committee and with Respondent’s consent, the Board makes the following Findings of Fact and Conclusions of Law and enters this Agreed Order as set forth below.

Findings of Fact

1. In December, 2003, Michael J. Gallagher, San Antonio, Texas, noticed that his dog “Buffy” was eating less than usual and appeared to be losing weight. On January 5, 2004, Mr. Gallagher presented “Buffy” to Timothy R. Stone, D.V.M., Rittiman Road Animal Hospital, San Antonio, Texas. Dr. Stone noted that the dog had lost 7.6 pounds since she was last weighed in January, 2003. Dr. Stone observed that the dog was active but thin. Dr. Stone suggested trying a variety of foods in order to find something the dog would readily eat.

2. On January 19th, Dr. Stone re-examined “Buffy” and found that she had lost another .7 pounds, but otherwise seemed bright and alert. Dr. Stone did not suggest blood work but dispensed prednisone tablets to try to stimulate the dog’s appetite. On February 12th, Dr. Stone re-examined the dog. She was eating more consistently, but she was now occasionally vomiting undigested food. No blood work was done, but Dr. Stone dispensed metoclopramide tablets for vomiting.

3. On February 20th, “Buffy” was again scheduled to be seen by Dr. Stone, but he was out of

town. Mr. Gallagher presented the dog to Ray M. Ayers, D.V.M. Perrin Beitel Veterinary Hospital, San Antonio, Texas. Dr. Ayers performed a fecal examination and blood profile. Blood work showed evidence of renal failure. "Buffy" failed to respond to treatment and was euthanized on February 23, 2004. A necropsy confirmed Dr. Ayers’ diagnosis of renal failure.

4. Dr. Stone’s failure to perform diagnostics such as a fecal examination and blood work for a patient presented several times for chronic weight loss and vomiting, does not represent the same degree of humane care, skill, and diligence in treating patients as is ordinarily used in the same or similar circumstances by average members of the veterinary medical profession in good standing in San Antonio, Texas, or similar communities.

Conclusions of Law

1. Respondent is required to comply with the provisions of the Veterinary Licensing Act, Chapter 801, Texas Occupations Code, and with the Board’s Rules.

2. Based on Findings of Fact 1 through 4, Respondent has violated Rule 573.22, PROFESSIONAL STANDARD OF HUMANE TREATMENT, of the Board’s Rules of Professional Conduct, which requires veterinarians to exercise the same degree of humane care, skill and diligence in treating patients as is ordinarily used in the same or similar circumstances by average members of the veterinary medical profession in good standing in the locality or community in which they practice, or in similar communities.

3. Based on Findings of Fact 1 through 4 and Conclusions of Law 1 and 2, Respondent has violated Section 801.402 (6) of the Veterinary Licensing Act, Texas Occupations Code, and is subject to disciplinary action by the Board:

   801.402. GENERAL GROUNDS FOR LICENSE DENIAL OR DISCIPLINARY ACTION. A person is subject to denial of a license or to disciplinary action under Section 801.401 if the person:

   (6) engages in practices or conduct that violates the board’s rules of professional conduct.

4. Based on Conclusions of Law 1 through 3, Respondent is subject to disciplinary action under Section 801.401 of the Veterinary Licensing Act, Texas Occupations Code:

   801.401. DISCIPLINARY POWERS OF BOARD. (a) If an applicant or license holder is subject to denial of a license or to disciplinary action under Section 801.402, the Board may:

   (1) refuse to examine an applicant or to issue or renew a license;
   (2) revoke or suspend a license;

The Board further ORDERS that:

2. Respondent shall cooperate with the Board’s attorneys, investigators, compliance officers and other employees and agents investigating Respondent’s compliance with this Order.
