IN RE: ODIE D. WRIGHT, D.V.M.  BEFORE THE TEXAS STATE BOARD
OF VETERINARY MEDICAL EXAMINERS

ORDER

BE IT REMEMBERED THAT on this the 5th day of February, 1984, came
to be heard the petition of Odie D. Wright, D.V.M. for reinstatement of his License No. 3668, originally issued on August 4, 1974 and revoked by the Board of Veterinary Medical Examiners on May 11, 1982.

After considering an investigation by the Board staff into the conduct of Dr. Wright and hearing matters presented to the Board by Dr. Wright and his representatives, the Board finds that it would be in the best interest of Dr. Wright and of the people of the State of Texas to reinstate the license of Odie D. Wright, D.V.M.

IT IS THEREFORE ORDERED that License No. 3668 originally issued to Odie D. Wright, D.V.M. be returned to Odie D. Wright, D.V.M. on a probationary basis, said probation to last for ten (10) years. The terms of probation are as follows:

That Dr. Odie D. Wright not violate the laws of this State or any other state or of the United States during his term of probation.

That Dr. Odie D. Wright not violate the Veterinary Licensing Act or the Rules of Professional Conduct for the veterinary profession in any manner.

Should Dr. Odie D. Wright ever violate any of the terms of his probation, the Executive Secretary of the Board of Veterinary Medical Examiners shall file a petition with the Board seeking to revoke the probation hereby granted unto Dr. Wright. The Board of Veterinary Medical Examiners may, after notice, hearing, and findings that Dr. Wright has violated the terms of this probation, revoke Dr. Odie D. Wright's license to practice veterinary medicine permanently.

This Order is MADE and ENTERED on the 5th day of February, 1984.

FINDINGS AND ORDERS OF THE BOARD

On this the 14th day of December, 1982, came to be heard the application of Dr. Odie Wright for reinstatement of his license to practice veterinary medicine in the State of Texas which had previously been revoked by the Board.

There is not substantial evidence indicating that the reinstatement or reissue of the veterinary license of Dr. Odie Wright is in the best interest of the public and of Dr. Odie Wright.

The Board therefore orders that the license of Dr. Odie D. Wright to practice veterinary medicine being license no. 3668 not reinstated. This order is to take effect immediately upon the signature of the President of the Board this the 14th day of December, 1982.
