AGREED ORDER

On this the 8 day of December, 2016 came to be considered by the Texas Board of Veterinary Medical Examiners ("Board") the matter of the license of Kayla Kurtz, D.V.M. ("Respondent"). Pursuant to Section 801.2056, Texas Occupations Code, a committee of the Board's staff met on September 8, 2016, to consider alleged violations of the Veterinary Licensing Act and the Board's rules by Respondent.

Respondent, without admitting the truth of the findings and conclusions set out in this Agreed Order, wishes to waive a conference under Section 801.2056 and thereby dispose of the compliance issues set out below. Respondent agrees to comply with the terms and conditions set forth in this Order. In waiving the right to a conference, Respondent acknowledges understanding of the alleged violations and the adequacy and sufficiency of notice.

Upon the recommendation of the Staff Committee and with Respondent's consent, the Board makes the following Findings of Fact and Conclusions of Law and enters this Agreed Order as set forth below.

Findings of Fact

1. Respondent, Kayla Kurtz, D.V.M., of Alvarado, Texas, holds Texas veterinary license 14024.
2. The Board has jurisdiction over the subject matter and Respondent. Respondent received notice, which may be required by law and by the rules of the Board. All jurisdictional requirements have been satisfied under Tex. Occ. Code Ann. Title 4 (Act). By entering into this Agreed Order, Respondent waives any defect in the notice and any further right to notice and hearing under the Act; Tex. Gov't Code Ann. §§ 2001.051-.054; and the Rules of the Texas Board of Veterinary Medical Examiners (Board Rules) (22 Tex. Admin. Code, Chapter 575).
3. On January 19, 2016, Board investigators conducted an on-site inspection of Respondent at Alvarado Veterinary Clinic in Alvarado, Texas. The inspection revealed that Respondent did not have an accurate balance on hand for ketamine, Buethanasia, or tramadol. The controlled substance log had two entries for ketamine, one which showed a recorded balance of 52.34mls and another which showed a recorded balance of -470.87mls. The controlled substance log had entries for both "Euthanasia solution" and Buethanasia. The "Euthanasia solution" log showed a recorded balance of 4,774mls, while the Buethanasia log showed a recorded balance of -4,702.92mls. The controlled substance log showed a recorded balance of -4,564 tablets for tramadol.

4. Respondent stated that the controlled substance log presented to the Board investigator was not the correct log, and that the non-veterinarian staff member in charge of maintaining the facility's controlled substance logs was not present on the day of the inspection. However, the DEA registrant that ordered controlled substances for the facility was present at the time of the inspection. Respondent stated that the facility has implemented protocols to familiarize several veterinarians with the proper controlled substance log procedure.
5. Respondent does not hold a DEA registration. Respondent does not order controlled substances for the facility.
6. Respondent does not have prior violations of a similar nature.

Conclusions of Law

1. Respondent is required to comply with the provisions of the Veterinary Licensing Act, Chapter 801, Texas Occupations Code, and with the Board's Rules.
2. Based on the above Findings of Fact, Respondent has violated Rule 573.50, CONTROLLED SUBSTANCES RECORDS KEEPING FOR DRUGS ON HAND, of the Board's Rules of Professional Conduct, by failing to maintain a correct log balance for controlled substances on hand.
3. Based on the above Conclusions of Law, Respondent has violated Section 801.402(6) of the Veterinary Licensing Act, Texas Occupations Code, and is subject to disciplinary action by the Board:

801.402. GENERAL GROUNDS FOR LICENSE DENIAL OR DISCIPLINARY ACTION. A person is subject to denial of a license or to disciplinary action under Section 801.401 if the person:

(6) engages in practices or conduct that violates the board's rules of professional conduct.

4. Based on the above Conclusions of Law, Respondent is subject to disciplinary action under Section 801.401 of the Veterinary Licensing Act, Texas Occupations Code:

801.401. DISCIPLINARY POWERS OF BOARD. (a) If an applicant or license holder is subject to denial of a license or to disciplinary action under Section 801.402, the Board may:

- (1) refuse to examine an applicant or to issue or renew a license;
- (2) revoke or suspend a license;
- (3) place on probation a license holder or person whose license has been suspended;
- (4) reprimand a license holder; or
- (5) impose an administrative penalty.
